Looking to a July Departure

We are thankful for all the prayers and support. Through God's provision and two more churches committing to support us, we are getting **closer to our required support target**. The Lord has led us to **leave this coming July!** With this news and Matt finishing his studying, it is such a relief to have a departure date. We are very excited!

The Next Six Months

Our heads are spinning with all the things that need to occur over **the next six months**: rent out our house ♦ sell our cars ♦ pack & give away, throw away, sell, or store our things ♦ revise our will ♦ sell our vehicles ♦ have closure with Matt's business ♦ get our final medical check ups ♦ purchase and pack items for Cambodia ♦ book plane tickets ♦ move to temporary living quarters ♦ obtain international medical insurance ♦ communicating with the field ♦ coordinate logistics for here (banking, mailing, etc) ♦ arranging good closure for the kids ♦ time for farewells with family & friends, etc.!

Spreading the News of God's Work

We **love to share** with others what God is doing in Cambodia and in Missions around the world. Let us know if **your bible study/home group** would be interested in us sharing with them. If so, please let us know and we will set up a date before we go.
