

Friedberg Flyer

-Preparing to serve with OMF in Cambodia

Departure Date Pushed To 2008

We needed 100% of our monthly support pledged by Sept. 27th to leave in November. **We are currently at 84%**. We are rest assured that the Lord's hand is on this. He has been so good to us and knows what is best.

Refreshing Time in Arizona

We had a terrific sharing time with a group of friends of our long time friends, **Steve & Lori Norton**. We showed our movie, great questions were asked, and the group was a great encouragement.

What Will We Do When We Get To Cambodia?

We will begin phase one of **Khmer language** learning. This is normally **6 hours daily**. We will begin to settle in a home, in the community, and with the **OMF Cambodia Team**. As we learn the language, ministry will be assigned to us. This includes **Cultural Orientation** consisting of talks, reading, visits, and sharing. Our vision is to be involved in **church planting, discipleship, evangelism, and medical outreach**.

To partner with us fill out a yellow card or go to:

Trusting in Him and many blessings to you all,

Matt, Casey, Micah, & Jordan Friedberg

Praise Reports

We are **honored** by all your prayers and support

- We visited **Heritage Christian Assembly** in Anthem, Arizona. **Pastor Toby Ray** blessed us with his church's prayers for us.
- **Matt** is currently taking his last college class (called **Cross-Cultural Church Planting**) required by OMF.
- The Lord has truly blessed us with this journey of going on the mission field. Even though it has it's ups and downs **He has been faithful** and continually encourages us.

Prayer Requests

- For His **perfect timing** of our arrival to Cambodia
- Continual **strength** for all the logistics involved in our moving overseas, and strength for Matt working, and Casey homeschooling the girls.
- More **partners** to join with us so we can **leave in 2008**.
