“And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they hear if they are not sent?” Romans 10:14

## What is the 10/40 Window?

Most of the people groups, **unreached by the gospel**, live in places stretching across the maps of northern Africa and Asia. Christian missions strategist, Luis Bush, started calling this rectangular area or band:

**"the 10/40 window."** He used that easy-to-remember name because it lies across Africa and Asia from 10 degrees latitude north of the equator to 40 degrees latitude north of the equator.

## Cambodia is in the 10/40 Window

Cambodia is 96% Theravada Buddhist with less than .5% Christian. **They are unreached!** Although, what is so exciting, is the government has given permission for missionaries to come, the **church is growing**, and they need workers! We are excited

## Some people ask, “When are you going?”

We have known our calling to Cambodia for over a year now and we are very eager to “Go”. God has shown us, that even though we are doing all we can to get there this **July**, that this time— **Waiting on the Lord** -is very important and vital for our long term success of remaining on the field. He has shown us that this time benefits us by:

- Learning personal discipline
- Trusting God for daily needs
- Preparing our children
- Practicing frugal living
- Experiencing testing
- Enlarging our faith
- Developing the ministry of prayer
- Challenging local churches
- Sharing vital information
- Patiently waiting on the Lord
- Developing inter-personal skills
- Ministering to believers
- Learning the good and the bad
- Engaging in evangelism

## Jordan & Micah

Someone recently asked, “What do your **kids** think about all this?”. I responded in my usual response that they are adjusting and are getting used to the idea. But later, I asked Micah (our eldest) “What should I tell people who ask that question?” Micah said, “Tell them that **I am excited to go!**”
