## Praise Reports

We are praising God for *Calvary Chapel Mission Viejo, Lighthouse Christian Fellowship, Ocean Hills Church, Church in the Park*, and *individuals* who have decided to partner with us.

**We are at 52% of our needed support!**

## Church in the Park

We were invited to share at this precious fellowship. It is a group of elderly people who meet at their mobile home park in Lake Forest. They are led by **Ronnie & Marina Smith**, an affiliate of **Calvary Chapel Mission Viejo**. Some of them came up to us and told us they were praying for us. We were touched by their generosity and hospitality.

## Swallow's Day Outreach

We had a great time witnessing at our church's booth at the Swallow's Day Mercado in San Juan Capistrano. Almost everyone was **given the gospel** through the game they played and was **left with a tract** in their hand! The flow of people was non stop.

What a blessing!

## Bound for Cambodia

We are still attempting to **leave for Cambodia in July**. In order for that to happen, we have to have about **75%** of our monthly support **pledged by April/May** and then **100% by June**.

If the Lord has put it on your heart to support us, would you be willing to **fill out the yellow card** or go to

[www.omf.org/omf/us/get\\_involved\\_1/pray/ministry\\_partners](http://www.omf.org/omf/us/get_involved_1/pray/ministry_partners)

This will allow us to start shutting our household down at this time.

The Lord Bless you,

2. **More people/churches to partner with us in prayer and finances**
4. **To be able to keep our eyes on the Lord in the midst of all the uncertainty, along with more faith, trust, and peace in Him!**
