June 2007

Friedberg Flyer

"A man's heart plans his way, but the Lord directs his steps." Proverbs 16:9

Praise Reports

- We had a terrific meeting at one of the home groups of **Calvary Chapel Rancho Santa Margarita.** We were hosted by the Kusunoki family. What an encouragement!
- We enjoyed our meeting with **Pastor Ron Hodel of Faith Lutheran Church** We look forward to our sharing time with their congregation on **July 1st**.

Prayer Requests

- That we can completely surrender to the **Lord's timing** in our life.
- **Strength for Matt** in his business and completing his bachelor degree in bible.(10 more units to go)
- For us to **use our time wisely** this summer and the grace to **finish repairs** on our house to eventually rent it out.

Target Departure Date Changed

We are required to have 100% of our monthly support pledged prior to departure. We are **currently at 67%** of our needed support. Hence, we have moved our target departure date to **November 2007**. We acknowledge the Lord's hand is in this. He knows when it is best for our family to move!

Why November?

Prior to moving to Cambodia, OMF requires us to get **training for 3 1/2 weeks** at their international headquarters in Singapore. This **orientation course** takes place only **four times a year**: February, May, July, or November.

Cambodia's Angkor Wat Temple

News From the Field

OMF Cambodia reports: "Spiritual breakthrough has been happening here! From just **1000 believers in 1990**, it is estimated that there are now over **100,000 Christians**. May the Lord continue to **add to His church** those who are being saved. In the light of such growth, the major challenges for the church at the moment are effective long-term **discipleship** of new believers and genuine **unity** amongst the many Christian groups and denominations that are springing up."
