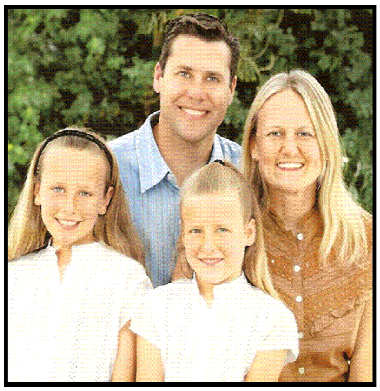
"It's the whole business of the whole church to preach the whole gospel to the whole world."
-Charles H. Spurgeon



Crackdown on Evangelism

OMF Cambodia Reports: Praise the Lord for continuing **freedom of religion** here in Cambodia. Although a recent **law bans door-to door evangelism** and only allows literature inside church buildings, the reality is that Christians can continue to engage in sensitive, relationship based evangelism. Pray that all the churches and mission agencies working here would respect the law, showing **discernment and wisdom** about the methods they use to preach the Gospel, make disciples, and plant churches.

Grace Church in Laguna Niguel

Pastor James Wenger and the entire congregation **encouraged us** with their support and prayers. We were able to share our movie during their Sunday service and had a time of **vision sharing** at a home potluck afterwards.

Partnership

We need more **prayer partners**. If God has put it on your heart to partner with us, through prayer or by any other means, please **fill out the yellow card** or go to:

- **Matt** had a great opportunity **leading a devotion**, along side the Chaplin of the **San Clemente State campground**. Four families attended from around the country.

Prayer Requests

- A **dengue fever epidemic** is sweeping Cambodia right now. Prayer for the **OMF team** and the many thousands of **Cambodians** who are affected
- **Wisdom & Strength** pertaining to all the **logistics** involved in our family moving overseas.
- Special **grace** and **coping** skills

Trusting in Him and many blessings to you all,

Matt, Casey, Micah, & Jordan Friedberg
